MOHAMED AZIZ TURKI

Date of birth: 23/11/2002 | **Nationality:** Tunisian | **Gender:** Male | **Phone:** (+39) 3500823964 (Mobile) | **Email address:** turkiaziz2121@gmail.com | **Website:** https://github.com/AzizTurki21 | **Address:** Via Alda Merini 2, 20026, Milano, Italy (Home)

ABOUT ME

MSc Artificial Intelligence for Science and Technology student at Università degli Studi di Milano-Bicocca, with a background in Embedded and Mobile Systems. Skilled in Python, SQL, data management and IoT, with hands-on experience in technical projects and problem-solving. Interested in data analysis, process optimization and operations

WORK EXPERIENCE

15/09/2024 - 15/06/2025 - BIZERTE, TUNISIA

ICT TEACHERAL MAARIFA PRIVATE HIGH SCHOOL

- Taught ICT to middle-school students, covering basic programming and digital tools.
- Helped students troubleshoot software and computer-related issues.

10/06/2022 - 24/08/2022 - TUNISIA, TUNISIA

JUNIOR WEB DESIGNER (FREELANCE)

- Designed and developed websites using HTML, CSS and JavaScript.
- Worked directly on client requirements and website improvements.

12/02/2024 - 28/05/2024 - EL-KEF, TUNISIA

ENGINEERING INTERNLIFEYE

- Developed a Smart Traffic System using Raspberry Pi, ESP32, MQTT, NFC/RFID and Heltec LoRa.
- Integrated hardware and software components into a real-time system.

05/02/2023 - 07/03/2023 - EL-AZIB, TUNISIA

ENGINEERING INTERNFUBA PRINTED CIRCUITS

- Developed a smart valve control system using ESP8266 and Blynk.
- Enabled remote control of a heated tube through a mobile application.

05/02/2022 - 06/03/2023 - BIZERTE, TUNISIA

INDUSTRIAL ENGINEERSOTULUB

- Observed company operations and production processes.
- Assisted with basic Excel work and data organization.

EDUCATION & TRAINING

15/09/2026 - Current - MILAN, ITALY

MSC IN ARTIFICIAL INTELLIGENCE FOR SCIENCE AND TECHNOLOGY- UNIVERSITÀ DEGLI STUDI DI MILANO-BICOCCA

15/09/2021 - 08/06/2024 - BIZERTE, TUNISIA

BACHELOR'S DEGREE IN INFORMATION TECHNOLOGY, EMBEDDED AND MOBILE SYSTEMS- HIGHER INSTITUTE OF TECHNOLOGICAL STUDIES OF RADES

Website: http://www.isetr.rnu.tn

PROJECTS

10/03/2024 - 08/05/2024

- Developed a real-time traffic management system integrating multiple devices and communication technologies.

08/12/2022 - 18/04/2024

- Built an all-terrain vehicle for engineering competitions.
- Won two competitions and achieved one second-place finish.

08/11/2023 - 28/12/2023

- Designed and developed a website for a local gym.

13/03/2023 - 19/04/2023

- Developed a basic IoT system for environmental monitoring and smart-home control.

LANGUAGE SKILLS

Mother tongue(s): **ARABIC**

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	B2	B2	B2	B2	B2
ITALIAN	A2	A2	A2	A2	A2

SKILLS

Microsoft Office | Microsoft Word | Microsoft Excel | Microsoft Powerpoint | SQL | Python (computer programming) | PHP | JavaScript | CSS & HTML | Mqtt Protocol | Technologies: Raspberry Pi, Arduino, Lora, Bluetooth Low Energy, IOT.
